Applicants who are not admitted in a given round automatically move on to the next phase, if one exists, without needing to submit a new application.

Update of the ENES Certificate

Applicants who obtain an improved grade as a result of the review process of national exam papers must send the updated ENES form to saude.sede@ucp.pt by 1 September 2026. Those whose application score is equal to or higher than the score of the last admitted candidate in each phase will be automatically admitted. The results will be published by **6 September 2026**.

Applicants whose revised admission score qualifies them for the **Merit Scholarship** must submit a request by email to saude.sede@ucp.pt by **6 September 2026**.

Foreign Secondary School Diplomas with Results Released After the Application Deadlines

Applicants coming from foreign secondary education systems whose results are expected to be released after the end of the application phases should preferably apply in the **1st round** and must send their results to saude.sede@ucp.pt by **30 August 2026**.

They will be automatically admitted if their admission score is equal to or higher than the score of the last admitted candidate in the phase to which they applied.
